

Newsletter, April 2006.

First we would like to thank the most important person in making ni logic a great success last year – YOU.

Last year, ni2 joined hands with Microwind and 20-Sim to get a foothold in highly competitive Indian EDA industry. This year, we have leaped ahead of all our contemporaries. We have done it in the past, and we did it again - Only better this time. And this has been possible because of your support and the strong values we hold at ni2:

- *Innovation*
- *New Technologies*
- *Customer Focus*
- *Quality Services*
- *Excellence*
- *Teamwork*

Advanced solutions to help us stay ahead, today and tomorrow.

In keeping up it's tradition of introducing new tools and technologies; ni2 has spread its wings and formed strategic alliances with leading solution providers of EDA, Communications and EM from Europe.

Catena, Netherlands

Catena software tools focuses on IC Design & Layout activities and Mixed Signal & Power Circuit Simulation

Quickfield, Netherlands

QuickField is a very efficient Finite Element Analysis package for Electromagnetic, Thermal, and Stress Design Simulation with coupled multi-field analysis.

MiCian, Germany

MiCian offers state of the art solutions for almost any microwave circuit or antenna design problem.

Committed to innovation.

Innovation of Technology is critical for high performance business. With deep understanding of the EDA industry, access to current and emerging technologies, mature development processes, global resources and a proven track record, we provide complete solutions to help clients succeed. Clients choose ni2 for our comprehensive range of application solutions and services, backed by a proven reputation for expert support and high quality.

ni2 launches EURO 4.

Only innovation can offer new solutions to existing challenges. Fresh perspectives drive competitive edge and embrace the explosion of information technology. Come be a part of new **Technology Innovation** when ni2 will unleash and launch its new range of tools and technologies on **April 30, 2006** at **Le Meridian, Pune.**
